Additional Terms and Conditions

01.	The vendor/service provider shall explicitly mention all services included and excluded in the quoted price. Any omission or misrepresentation of the included/excluded services shall be the sole responsibility of the vendor.		
02.	Charges related to any compute or storage usage must be included clearly in the proposal. No additional charges shall be imposed unless explicitly agreed upon in writing by the institute.		
03.	The institute/buyer shall only be liable to pay the amount specified in the Purchase Order (PO). Any usage of		

	services or compute resources beyond the value stated in the PO shall require prior written approval from the designated authority of the institute.		
04.	It is the sole responsibility of the vendor/service provider to monitor the usage of services/compute resources and promptly notify the person/authority in case of any designated overutilization beyond the allocated limits. Failure to provide timely notification may result in non-payment for excess usage.		
05.	Both parties shall maintain the confidentiality of any sensitive information shared during the course of the agreement and shall not disclose it to any third party without prior written consent.
